

8 September 2022

Chariot Limited
("Chariot", the "Company")

Annual General Meeting

As previously announced on 28 June 2022, Chariot (AIM: CHAR), the Africa focused transitional energy group, will hold its Annual General Meeting ("AGM") today at 11.00 am at the May Fair Hotel, Stratton Street, London, W1J 8LT.

Once the formal business of the AGM has concluded, management will go through an AGM presentation and screen a new corporate video which will be followed by a Q&A session and refreshments. Both the presentation and video will be made available on the Company's website post meeting.

Adonis Pouroulis, CEO, Chariot Limited, commented:

"We look forward to welcoming our shareholders at the Company's AGM this morning. We will provide a detailed overview of our resource upgrade at the Anchois Gas Development, offshore Morocco in addition to walking attendees through the progress we have made across the Transitional Power and Green Hydrogen pillars of our business."

NOTES FOR EDITORS:

About Chariot

Chariot is an African focused transitional energy group with three business streams, Transitional Gas, Transitional Power and Green Hydrogen.

Chariot Transitional Gas is focused on a high value, low risk gas development project offshore Morocco with strong ESG credentials in a fast-growing emerging economy with a clear route to early monetisation, delivery of free cashflow and material exploration upside. Chariot Transitional Power, looking to transform the energy market for mining operations in Africa, providing a giant largely untapped market with cleaner, sustainable, and more reliable power. Chariot is also partnering with Total Eren and the Government of Mauritania on the potential development of a 10GW green hydrogen project, Project Nour.

The ordinary shares of Chariot Limited are admitted to trading on the AIM under the symbol 'CHAR'.
